ROUND 5

31ST - 2ND SEPTEMBER
DONINGTON PARK

@SDPRODUCTIONS21

@OFFICIALBSEC

@DONINGTONPARK

Welcome everyone to the fifth round of the BSEC season. We head to Donington Park for what promises to be a great weekend of Esports action .

At Cadwell it was Brett and the SBN Ducati squad that had an outstanding weekend . Brett and Charlie had two one two finishes at Cadwell and the team looks set for a good weekend at Donington. In the championship George has taken control by five points over Dylan with Charlie eight points away from the top of the table

Alfie carried on his incredible run of form by picking up a second and a win in the feature race

We've got a great weekends racing around the corner and we can't wait to get started

Round 4 race winners:

Sprint: Matt

Feature: Alfie

**Last years Champion:
Connor (Honda)**

BSEC THUNDERS INTO THE EAST MIDLANDS

With round 5 of BSEC only a handful of days we take a moment to reflect on an incredible opening third of the season. In the superbike class consistency has been something that has been lacking compared to season 1. With that being said everyone has stepped up their game and the pace is red hot in season 2. We've seen 6 different race winners and 3 new time winners in Charlie, Jamie and rookie George. The superbike class is so tight this year and podiums feel like race wins. The rider that's impressed us most is George closely followed by Charlie. Both riders have taken race victories and frequent podium finishers. George being a rookie in the class makes his performances very impressive

ALFIE QUICK OUT THE BLOCKS

Alfie has been the man to beat in AMI Electrics British Supersport and 88 Transport Ducati V2 Cup. The young man has only been off the podium once in both classes this season. In supersport he's finished either first or second in all races. That's a very impressive record. Coming into round 5 Alfie leads both championships. In supersport he has a 24 point lead whilst in the Ducatis he leads by an incredible 54 point lead. Can he keep this going to the end of the season. Only time will tell
