***Welcome everyone to the second and final pre season test here at Oulton Park. Testing got underway over in Portimao with Jamie topping the times in superbikes whilst new boy Irvin topped supersport. The lap times were very close in the supersport sessions between Irvin, Alfie, Ash and Calvin.***

***After a tough season 1, Jamie will be looking to have a better season this season on the Team Valley Racing BMW. His teammate Dylan wasn't far away in the first test with riders like George, Ted and Mason G not far behind***

***How will the riders cope with their first trip to British shores? Well we're not far away from finding out***

## THE FINAL PRE SEASON TEST: PREVIEW

The final pre season test is here. Coming into the Oulton Park test it's Jamie that was at the head of the Superbike field on the Team Valley Racing BMW. Can Jamie continue that good run of form or will the likes of Dylan, George, Ted, Mason G or someone else take the spoils? In Supersport it was new boy Irvin who shone on debut. He managed to top the supersport sessions ahead of teammate Alfie. The GW Motorsport Triumph duo managed an impressive one-two

with Alfie backing up his teammate in Portimao. Also running strongly was Ash on the Frame Fast Honda who managed a P3 in the test. A lot of talent is on show at this two day test with all 3 classes out

All the action will be live on twitch at 7:10pm on 30<sup>th</sup> June - 1<sup>st</sup> July

## 5 DIFFERENT WINNERS AT THIS YEARS SDPG NW200

In this years SDPG Northwest 200 we had 5 different winners in the 5 races scheduled. The racing was frantic and very entertaining. Lets give you the winners. Mason Roth won the Flights of Hinckley Supersport race adding to his total wins on the roads this season. In the first MOLTED superbike race it UGGLY&CO BMW's Joe taking the spoils. In the Jude Harvey Foundation Supertwin race it was Charlie back on the top step. The R5L Superstock race was won by Jamie who rode very well to win by 10+ seconds and in the main MOLTED superbike NW200 race it was Ash taking the win ahead of Jamie after an intense battle throughout the race. Jordan had a great race day at the Northwest 200 having not practiced or qualified. A tricky NW200 for Ted who unfortunately caught an illness earlier in the week. Also joining us was Aaron which was good to see the youngman back in an SDPG event Scott also had a good run out fighting up the sharp end in a few of the races. We believe next years event will be even better than this year

The next roads event is only just round the corner with the APR Racing Southern 100 on the 7<sup>th</sup> - 9<sup>th</sup> July

## OUR BSB 25 SERIES REACHES THE HALF WAY POINT

With 11 races down in our BSB Series we've had a solid start taking 4 wins and having many great battles with the likes of Davey Todd and Rory Skinner to name a couple of riders. With 11 races still to go can we wrap up the Bennetts British Superbike championship? We're sitting pretty in the standings at the moment as we sit P1 20 points ahead of second place. Keep an eye out on the socials for or next single player stream
